ajanta pharma

Mr. Yogesh Agrawal

MANAGING DIRECTOR

Mr. Yogesh Agrawal is Managing Director of Ajanta Pharma Limited, one of the most vibrant and high growth pharmaceutical companies in India. The company has presence in Indian Pharma Market along with over 30 countries across the US, Africa, CIS, West Asia and South East Asia - with its specialty product basket of branded generics and generic products.

He did his business management from Johnson & Wales University, USA and joined the company in 1996. Immediately he took the challenge of putting up a green field factory at Mauritius to penetrate Africa which is today one of the most successful subsidiaries of the company.

After staying at Mauritius for 3 years, he returned to parent company in India and started to look after the international business as Executive Director. In the year 2002, he was elevated as Managing Director of Ajanta Pharma Ltd., at the young age of 30 years.

In the last 21 years, he along with Joint Managing Director Mr. Rajesh Agrawal scaled the company to Rs. 3,341 cr. Revenue from Operations in FY 2022 from Rs. 71 cr. in FY 2002, a CAGR of over 20%. Profit after Tax in this period grew at CAGR of 35% to Rs. 713 cr. Also market capitalization has moved to over Rs. 15,000 cr. in July 2022 from then Rs. 24 cr.

The company has 7 state-of-the-art manufacturing facilities, including 2 approved by the US FDA. It has 1 R&D centre with over 750 scientists for developing new products. It employs over 7,000 employees worldwide and spends about 6% of its revenue on R&D.

Recognizing his achievements at young age, Prime Minister of India, Mr. Narendra Modi presented him with TIME Magazine “Young Maker of the Year” award. By CNBC, he was awarded “CEO of the Year - Next Gen” which was conferred by the hands of Shri. Raman Singh - Chief Minister of Chhattisgarh. He was nominated for “Forbes Leadership Award” and was also listed in 100 most valuable CEOs by Business Today in the past.

He is member of Mumbai chapter of YPO since August 2016.
